**Subject:** Willamette needs cleanup that's good for business

The EPA should care about our economy and jobs and the environment

The EPA plan, from what I hear, will be fantastic for the river and wildlife. That makes me happy. That's what Portland and Oregon need. But I hope that you also make sure to come up with a flexible plan that also minimizes the cost impact on the businesses that work in the harbor.

Please do what's right for the harbor workers and the families who depend on those jobs.

Sincerely,

(b) (6)
